

IJT-Song 2019

Here I am

- 1) You are almighty and Your spirit is everywhere,
Your love surrounds me, day and night I know You care.
You help me when I struggle and catch me when I fall,
You give me strength when I am weak and answer when I call.
- 2) I lift my hands to You! God blessed the world with his endless grace.
Sometimes I'm doubtful, Jesus come and strengthen my faith!
You comfort me in sorrow, with You I have no fear!
If only I have You my Lord, all clouds will disappear!

Chorus:

Here I am, hand in hand with You, Lord,
here I am, Father, guide me Your ways.
Here I am, Jesus, I wanna follow You,
here I am, You will answer my prayers.
So come what may, Lord, You are my light!
Here I am, come and shine for me through the night.

- 3) You hold your loving hands out to me when I feel alone,
Your footsteps in the sand tell me that You carry me home.
You promised You'd be with me and gave Your beloved son,
The Holy Spirit speaks your word, with Jesus we are one!

Chorus:

Here I am, hand in hand with You, Lord,
here I am, Father, guide me Your ways.
Here I am, Jesus, I wanna follow You,
here I am, You will answer my prayers.
So come what may, Lord, You are my light!
Here I am, come and shine for me through the night.

Here I am, hand in hand with You, Lord,
here I am, Father, guide me Your ways.
Here I am, Jesus, I wanna follow You,
here I am, You will answer my prayers.
So come what may, Lord, You are divine.
Here I am, come and make my heart and soul shine.
Here I am, come and make my heart and soul shine.

Canon:

Here I am, you're divine,
let your heart and soul shine.
