
Joy, fellow - thi. icipants wish for the Sunday divine service. All of you can contri by f s below:

- Please wear your blue . .
- Bring the guide along with you, it contains the songs which we all sing together. All participants sing all verses printed, in the corresponding languages.
- Be on time. At 9:15 a.m. the preliminary programme starts with music, videos and lectures.
- Please remain seated after the divine service so that we can end the IYC jointly together.
- The suitcases: If you stay overnight in the youth camp (sleeping halls), you can leave your suitcase in the respective hall and pick it up there before departure (until 6 p.m.). Participants who leave directly after the divine service can also store their suitcases in Hall 8A. However, due to a possibly large crowd, waiting times are to be expected and calculated there. Departing hotel guests can store their suitcases in the North B Entrance on the gallery.
- After the service all participants will receive a catering package at the exits of the arena.
- Departure with the busses takes place from parking area P1.
- Lost property can be deposited or picked up at the Infopoint.
